What Motivates You To Not Use Alcohol Or Other Drugs?

The **MAJORITY** of teens in Mundelein don't drink or use other drugs. We want to hear from you! What keeps you drug-free?

Tennis is my absolute favorite sport. I couldn't imagine my life without playing. I stay drug-free in order to continue my passion and to keep improving at my tennis game. I have so much fun with my team members and meeting new people and I would be devastated to lose that experience due to drugs. It's important to find something to keep you happy and drug free, and I have found that in tennis. – Maggie, MHS

Many older siblings don't realize what a huge part they play in their younger brothers' or sisters' lives. They live selfishly, not even considering the example they set. My younger sister motivates me to be alcohol and drug-free. I want her to grow up knowing that she can enjoy her youth while still keeping the future in mind. I have seen kids ruin their lives with drugs and alcohol, and I don't want that to be her. She has big dreams, and I want to see her achieve them. – Sidney, MHS
